

Dear Friends,

We are excited to announce that 2020 is already off to an amazing start in Grand Boulage, Haiti! The medical clinic, in collaboration with Medicines for Humanity, continues to operate, February will mark the one year anniversary of its opening! The health education of the community has begun to make an impact, with over 300 visits in 2019 by community healthcare agents trained by the Medicines for Humanity team in Grand Boulage. A healthier population is already a realized goal of this undertaking; which could not have happened without your support. The 2020 road race in honor of Deacon Chuck Dietsch will be held this year on **MAY 16, 2020** to help sustain this clinic, which is run by a Haitian doctor and nursing staff. Seeds of Hope for Haiti, Inc. has been established to carry out the work of the Haiti Ministry of Sacred Heart Church in Southbury in Grand Boulage, Haiti.

Our work is on-going. It is through the generous donations from our sponsors that we are able to carry it out. Here are some of the great things we are doing in Haiti:

- Bringing access to healthcare with a permanent medical clinic and trained healthworkers
- Providing needed funds to pay teachers in the village school
- Purchasing textbooks and other educational materials
- Feeding approximately 300 students daily through the school canteen program
- Continuing to assess and meet the needs of this remote mountain community of 3,000 families

On **Saturday, May 16, 2020**, Seeds of Hope for Haiti, in conjunction with Sacred Heart Church of Southbury, will hold **The Deacon Chuck Dietsch Memorial 5K Run for Haiti**. We hope you will consider making a contribution to this year's event, as we rely on businesses and local donations to sustain our commitment of being in active solidarity with our brothers and sisters of Grand Boulage, Haiti. Together, we are planting the **seeds of hope for Haiti**.

Thank you in advance for your most generous support.
